I lay my life down at Y  
You're the only one  
I turn to You and You  
In troubled times it's Y  
I put You first that's  
I humble all I am - all

I'm gonna sing I'm gonna shout  
I'm gonna let the reason out  
That His love goes on forever  
I'm gonna sing I'm gonna shout  
I'm gonna let the reason out  
'Cause His love goes on forever

## Peace Like A River

I've got peace like a river,  
I've got peace like a river,  
I've got peace like a river in my soul.

I've got peace like a river in my soul.

I've got love like an ocean,

I've got love like an ocean in my soul.

A young man with dark hair, wearing a bright green t-shirt, stands in a room. He is holding a large, yellow paper airplane in his right hand, which is raised. The paper airplane has black outlines and some yellow shading. He has a neutral expression. In the background, there is a light-colored wall and a wooden chair. A thought bubble is superimposed on the image, containing the text "Yo Guys .. Check out my skills!".

A young boy with dark hair, wearing a bright green t-shirt, is sleeping at a wooden desk. He has his head resting on his arms, which are crossed on a colorful plastic bag. A large white thought bubble with a black outline is positioned above his head, containing the text "I need a break ... zzzzz". Two smaller, empty thought bubbles are also visible near his head. In the background, there is a bookshelf filled with books and some papers on a shelf.

I need a  
break ... zzzzz
