Acts 12 : 19b - 25 (NIV)

¹⁹ After Herod had a thorough search made for him and did not find him, he cross-examined the guards and ordered that they be executed. Then Herod went from Judea to Caesarea and stayed there a while. ²⁰ He had been quarreling with the people of Tyre and Sidon; they now joined together and sought an audience with him. Having secured the support of Blastus, a trusted personal servant of the king, they asked for peace, because they depended on the king's country for their food supply. ²¹ On the appointed day Herod, wearing his royal robes, sat on his throne and delivered a public address to the people. ²² They shouted, "This is the voice of a god, not of a man." ²³ Immediately, because Herod did not give praise to God, an angel of the Lord struck him down, and he was eaten by worms and died. ²⁴ But the word of God continued to increase and spread. ²⁵ When Barnabas and Saul had finished their mission, they returned from Jerusalem, taking with them John, also called Mark.
